

PHC-H Hochdruck-Dehnspannfutter High Pressure Hydro Chuck

Das **NON PLUS ULTRA** in der Dehnspanntechnik

- Extreme Spannpower [ø32: 2000 Nm]
- Perfekter Rundlauf
- Maximale Stabilität
- Große Spannflexibilität
- Vibrationsdämpfend

The **NON PLUS ULTRA** in Hydro Clamping Technology

- Incredible high clamping forces
[ø32: 2000 Nm]
- Perfect run out accuracy
- Maximum stability
- Large clamping range
- Anti-vibrations effect

Perfekter Rundlauf High precision

Anwendungen

- Schruppfräsen
- Hartbearbeitung
- Trochoidales Fräsen
- HPC-Fräsen

Applications

- Heavy milling
- Hard machining
- Trochoidal milling
- HPC milling
